Join us for a special evening as we celebrate our Foster Parents and Donors at Lions Meadows of Hope.

You will enjoy an evening on the 16th floor at the Historic Mayo Hotel overlooking downtown Tulsa.

An extravagant meal prepared by the chef, music from Oklahoma's premier DJ and a cocktail hour from 6-7pm featuring exclusive trip packages from our guests to bid on.

You will hear the story of a local foster family and teen, that know from experience, the benefits of a foster family and how she continues to thrive and give back. They will share their experience & commitment to change the next generation.

This family is ONE example of our "why," as we continue to serve children and families at Lions Meadows of Hope.

We appreciate your support.
